FWD = FPL points from Forwards
FPL = Total FPL points

Last Man Standing (LMS) & European Cups

- LMS runs from GW3 to GW22. Winner gets $270.

Last Man Standing results will also determine the European Cup draw for the group stages:

Group A	Group B	Group C	Group D	Group E
Steve P/James M	Syed Abidi	William Reeves	Scott Parkins	Kevin Arrogante
Mik Malo	Mikael Nilsson	Sean Kemper	Brian Kaulig	Nate Mulford
Forrest Dyer	Edward Tierney	Matthew Lambert	Andy Georgevich	Mike Reiffsteck
Chris Parkin	Ryan Swaim	Michael Doherty	Azmi Alrisheq	Luke S/Kevin L
Robert Aikens	Raymond Bleth	Aaron Grala	Michael Adams	Dave Le Clair
Tommy Fox				

- European Cups (Champions League and Europa League) will run from GW23 to GW34
- The team scoring the most FPL points (transfer costs DO NOT get deducted from your weekly score as with LMS) each match will be awarded the win
- In the group stages, managers will be awarded 3 points for a win and 1 point for a draw just like the PL
- Group winners will get a bye into second round of the Champions League (CL) knockout stages
- Second place in the group plus one Wildcard team will qualify for the first round of the CL knockout stages
- All other teams qualify for the Europa League (EL)
- In the event of a tie on points in the league positions, the following will be used as tiebreakers:
  - FPL points difference in the group games
  - Lowest league position as at that point in time
- Wildcard entry to the CL and EL seedings are determined by best record (Win %, FPL points difference, lowest league position as at that point in time)
- Knock-out stages will be played over 2 legs, the manager with the highest aggregate FPL points score over the two weeks will advance
- In the event of a tie in the knockout stages (highly unlikely), the same tiebreakers as LMS will be used – captain score (combined across both weeks), then VC score (combined), then lowest league position at that point in time
- The final will be just one leg played in GW34, with the team with the highest FPL points in that week declared the winner. In the event of a tie, highest captain score, then VC score, then lowest league position will be used as a tiebreaker
- Use of any chip in any week is allowed and is recommended as a strategy to do well in the cup if that is your goal
- The winner of the CL will receive $300
- The winner of the EL will receive $150

Last Chance Saloon (Tier 1 Winner: $200; Tier 2 Winner: $150)

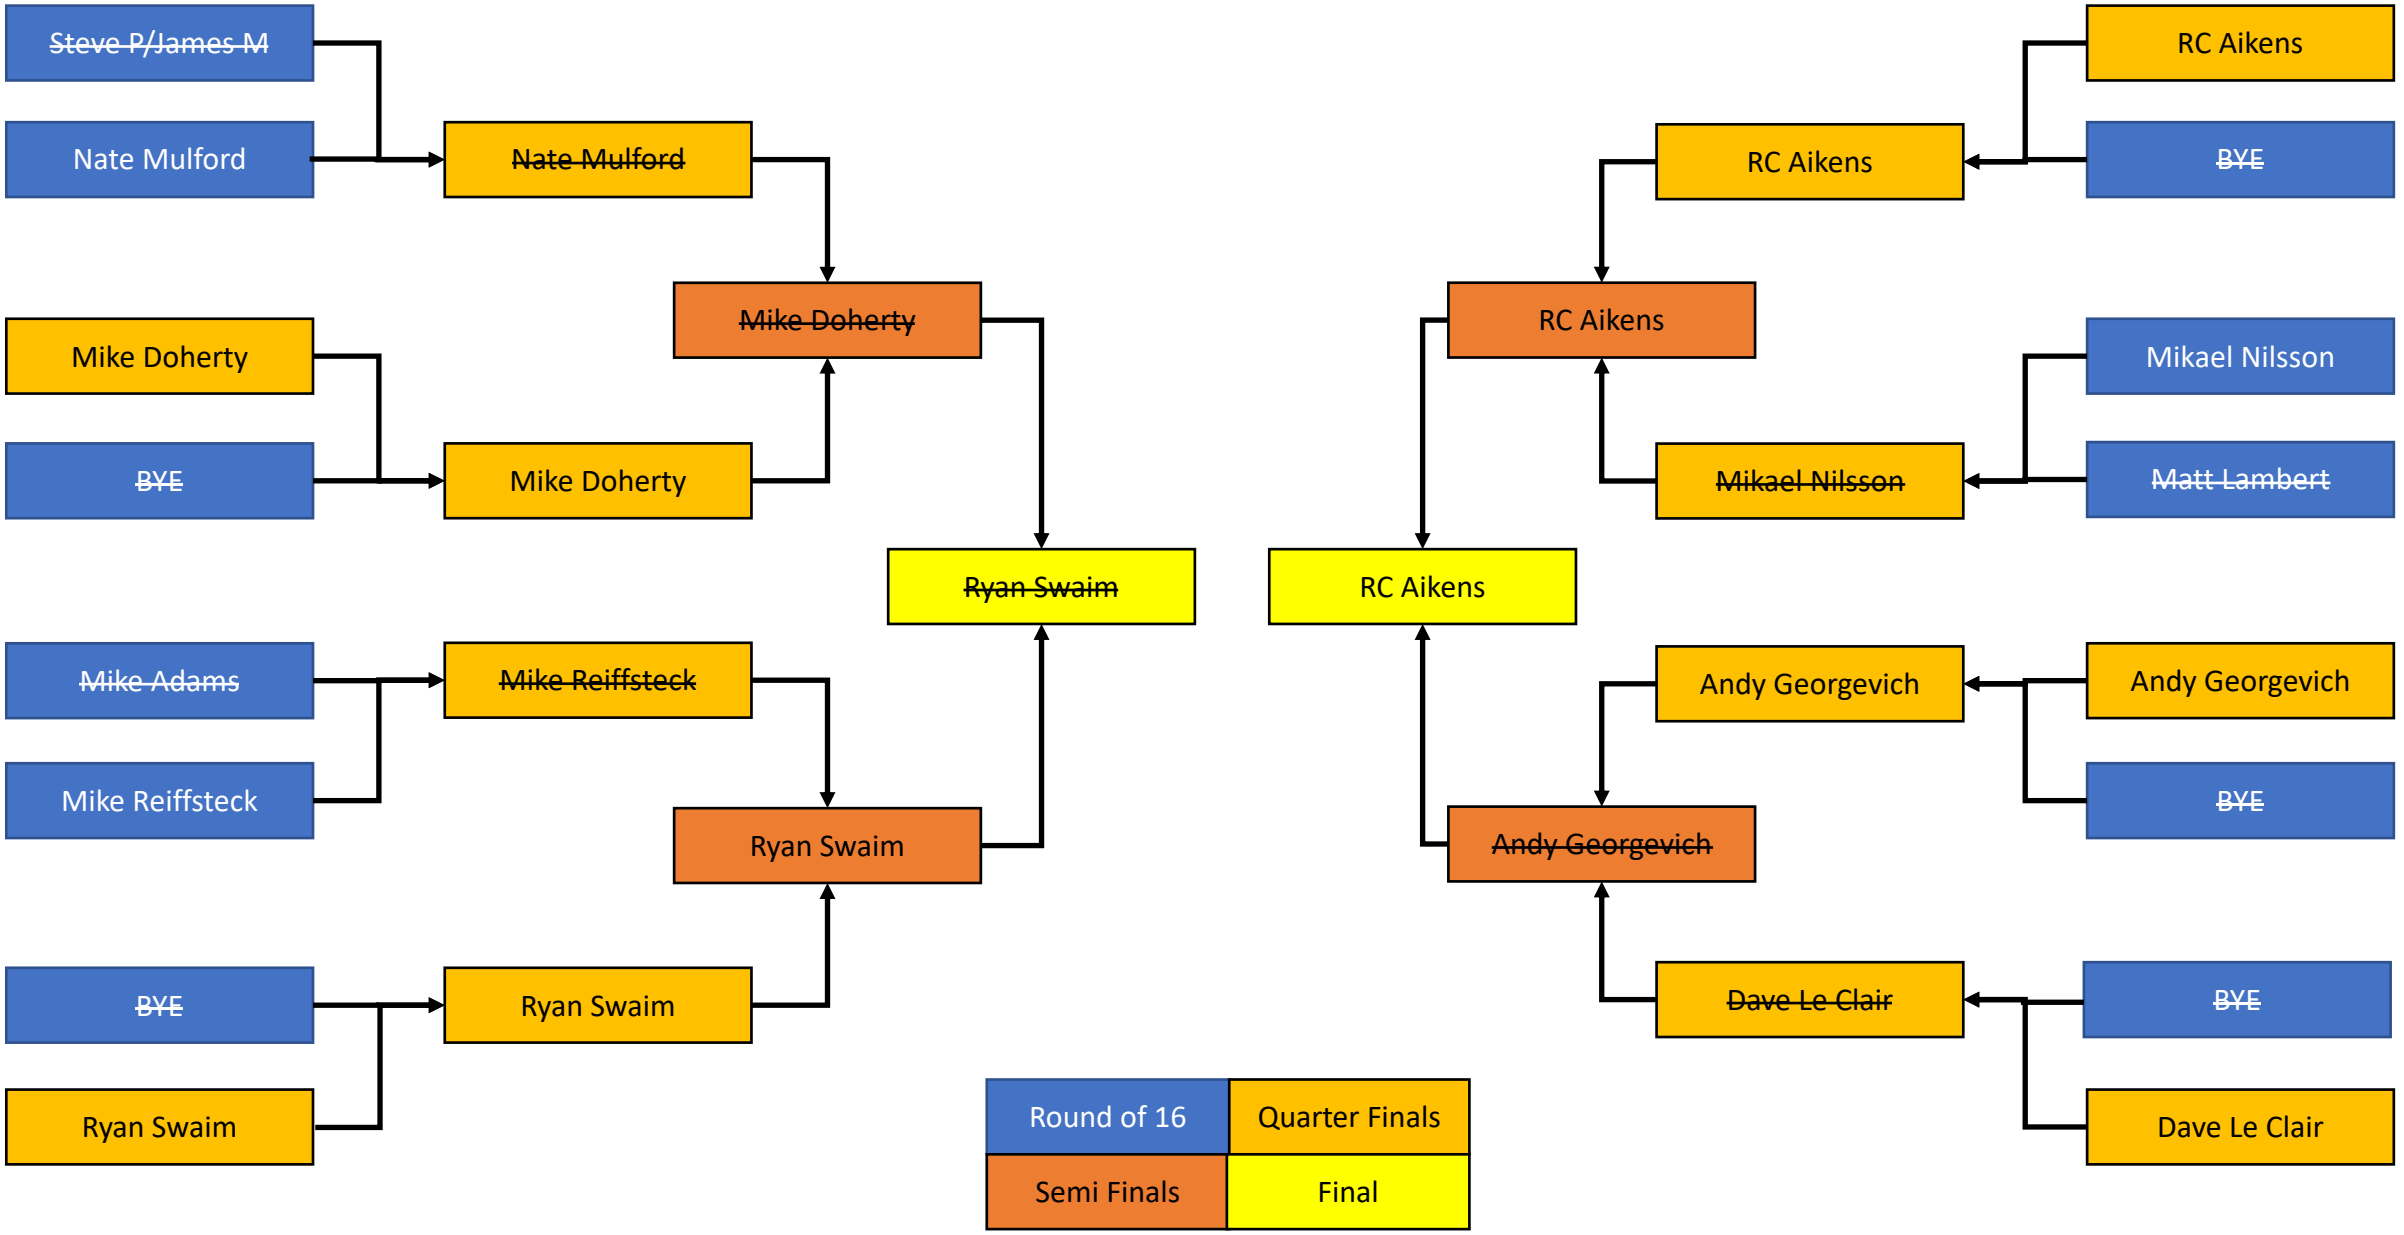
- Runs from GW35 to GW38
- Bottom 12 in the league as at end of GW34 qualify for Tier 2 Last Chance Saloon (LCS) knockout
- League positions 15th-18th as at end of GW 34 get a bye to the second round of Tier 2 knockout
- All other teams in the league that are 75 points or more behind the league leader will qualify for the Tier 1 LCS knockout
- The number of teams that qualify for Tier 1 LCS will determine the number of teams that get a bye to the second round but byes will be given to the highest ranked teams as at end of GW34
- Each round is played over 1 GW only
- The team with the highest FPL score in each round will advance
- In the event of a tie in the knockout rounds, team(s) eliminated will be determined by
    1. Lowest scoring captain will be eliminated
    2. Lowest scoring vice captain will be eliminated
    3. Highest league position as at that point in time will be eliminated
- Use of any chip in any week is allowed in LCS and is recommended as a strategy if that is your goal

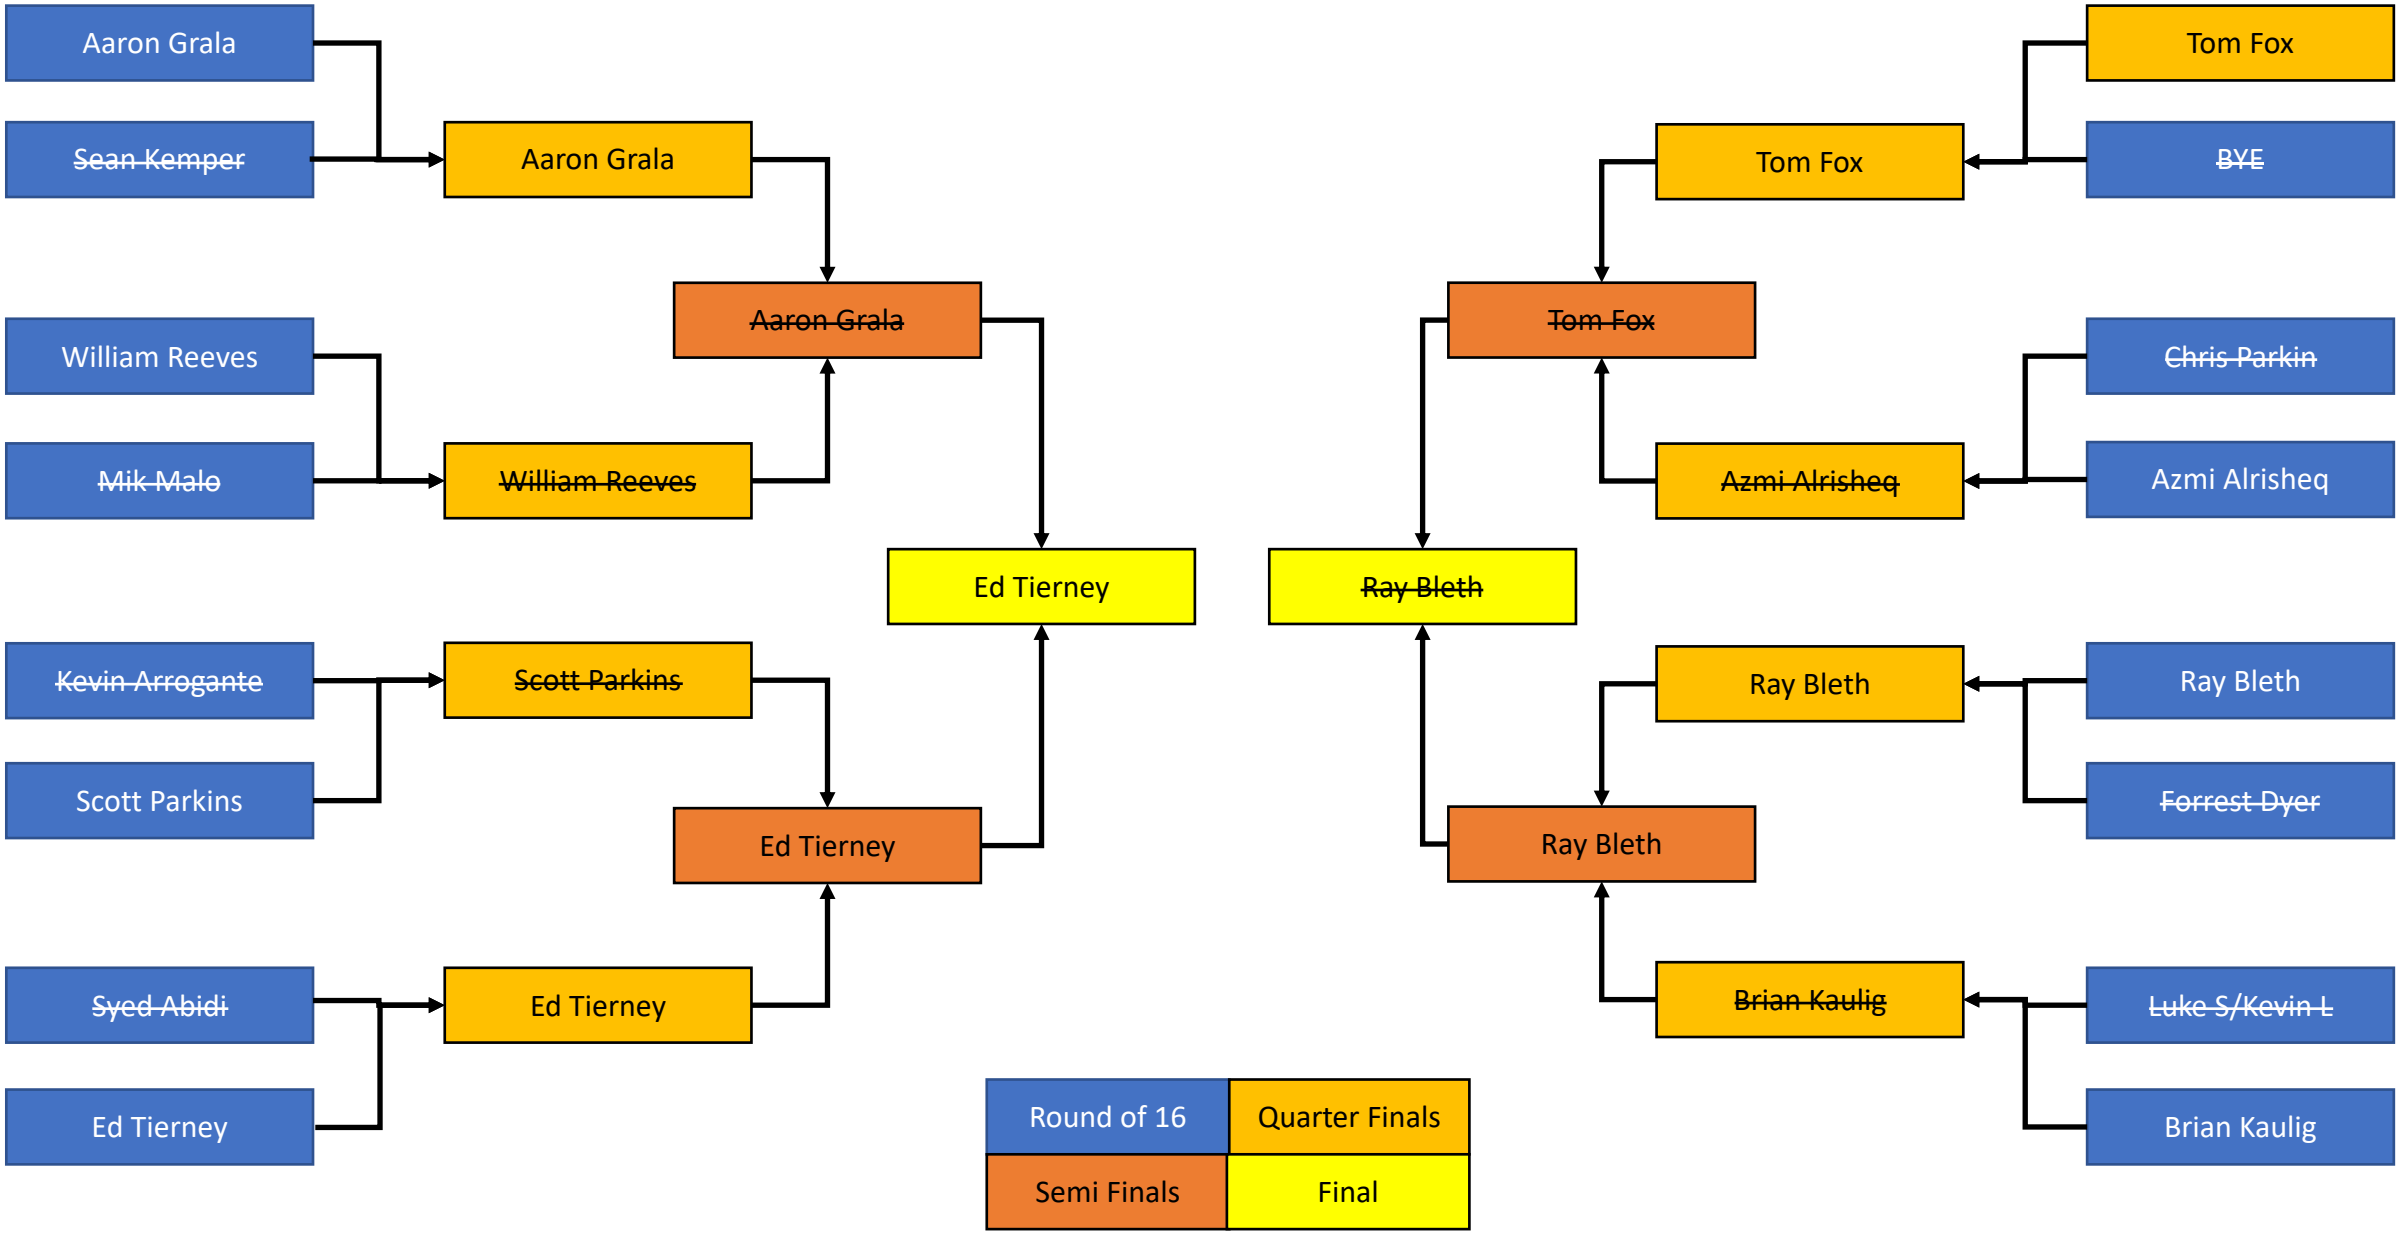
Draw: Seedings will be driven by league position at the end of GW34 with the higher league position resulting in a higher seed.

Example: For Tier 2 LCS, 15th place will be Seed 1, 16th = Seed 2, 17th = Seed 3 etc.

Bracket for Tier 2 LCS is on the following page. Tier 1 LCS will follow the exact same bracket but be adjusted for number of entrants that qualify (given it is not a set number).

Champions League (Winner: $300)





Europa League (Winner: $150)
